

# Capability Statement

## About Us

Outdoor Fabrications is a seasoned business specialising in the design, construction, installation, and maintenance of large LED signage and structural steel projects. With over 25 years of industry experience and a dedicated team of 28 full-time professionals, we pride ourselves on delivering proven reliability and exceptional quality. Our multidisciplinary skilled resources enable us to reduce risk and enhance customer satisfaction. Our primary goal is to exceed client expectations and streamline project execution to make your experience seamless and successful.
